

# House and land offer

FOR the first time at Pathways, Murray Bridge's best new address, buyers will be able to purchase a house and land package.

Residential builder AVJennings Homes will construct four stylish family homes on Parkview Drive in the new estate - the Horizon 260, Nova 205 and Tempo 255, from its new Evolution Series and the Belmore 310 from its award-winning Contemporary Series.

Starting from an affordable \$275,000 for the Nova 205, which features four spacious double bedrooms, two bathrooms, and a stunning open-plan meals/kitchen/living area, these house and land packages are sure to sell quickly.

All packages include floor coverings, air-conditioning, site works, paving and fencing.

Buyers should know that securing a block of land at Pathways has never been more affordable, with allotments starting at \$65,000.

AVJennings Developments has announced that Hickinbotham Homes and Weeks Peacock Quality Homes have also signed on to build display homes at Pathways.

Construction on the stunning entry statement walls should be completed at the end of May and work on the new house and land packages should begin in June.

Plus, new display homes start in July, so now is an exciting time to

take another look at Pathways.

Pathways is open Fridays from 12noon to 2pm, plus Saturday and Sundays from 2 to 4pm.
