

Register interest for development

NOW is the time to register your interest in purchasing a parcel of land at the exciting new residential development by AVJennings.

Civil works have begun at the Roper Road site in Murray Bridge, including the construction of new roads, electricity and gas cables and stormwater drains, to ensure everything is ready when the estate is officially released for sale to the public in the next few months.

By registering your interest with Masons, you will be kept up to date with all of the latest news and may even be given the opportunity to purchase your own piece of land before it is released.

In total, 240 allotments will be available at the new address and, to reflect the rural surroundings, they will range in size from villa and courtyard blocks of 400sqm to country living parcels of 2885sqm.

Another pleasing aspect of the development is at least one third of the site has been dedicated to the creation of reserves, parklands, and a series of walking trails and boardwalks for residents and the surrounding community to enjoy.

Located close to Unity College and Murray Bridge High School, the new estate will be the perfect location for new and growing families.

- Details: To see a lot plan of the best new address in Murray Bridge or to discuss the benefits of registering your interest in

the estate, visit Masons Real Estate at 65 Bridge Street or call Rob Mason on 0418 813 240 or Paul Clifford on 0438 813 916.
